

# Wild Orchid Man

BREAKING NEWS!

That's how the big guys put it.

Our new film Wild Orchid Man in the Devil's Realm will premiere on January 16th, 2019 at Selby Gardens sponsored by the Sarasota Orchid Society!

The trailer link:

Stig Dalström explores Tasmania's history and culture as well as learning about the flora and fauna of the island.

Many strange plants and animals inhabit this remote land and there is an ever-changing cast of orchids in flower.

This is the 5th Wild Orchid Man film shot and edited by Darryl Saffer.

The team hopes to return to Western Australia next August to wrap up filming on the sixth film Wild Orchid Man and the Queen Of Sheba.
