**6:30 PM - Marta Hudson** spoke about the following topics:

**Pandemic Announcement** – Our most important undertaking is to continue supporting our members reaching out to you via Zoom. Its cost effective and a great meeting system that I personally want to encourage you to use. Unless you enjoy our forced seclusion, during these hard times, we must be open minded and willing to adjust to the new normal. We are working diligently evaluating alternatives to keep you engaged and connected and continue to show with pride your beautiful well grown blooming orchids, our God sent sanity. Stay Positive, find interesting things to do, take long walks, find more hobbies, eat healthy, stay hydrated and reach out to others who may need a kind word. Let's make the most of it.
